

PSYCHOTHERAPIST or SOCIAL WORKER (Part time)

Hamilton, ON

About Shalem

Shalem Mental Health Network is a dynamic agency, offering innovative programs to both the Hamilton area and the province of Ontario.

A member of Family Service Ontario, Shalem is a faith-based agency serving the wider community as well as faith communities. With a culture of support and collaboration among its staff, and holding values of peace-making and professional excellence, it strives to offer great care, as well as be a safe and collaborative place to practice.

Our counselling centre's work is client-centered and attachment-informed, done within an anti-oppressive framework.

About the role

We are currently seeking a part time (14-25 hours/week) Psychotherapist or Social Worker with a specialty in Emotionally Focused Therapy (EFT). Reporting into the Clinical Director, the position will offer psychotherapy to individuals and couples through our Shalem Counselling Clinic in Hamilton, ON.

The ideal candidate will be able to work independently and also be part of a clinical team, using strength-based models, working respectfully with diverse clientele; balancing support and accountability; and being adaptable and flexible while managing client situations.

Key Responsibilities

- Provide counselling to individuals and couples
- Work effectively with couples using Emotionally Focused Therapy when appropriate
- Conduct intake sessions and individual, couple and family sessions in alignment with internal policies and those outlined in applicable standards guidelines
- Document all client engagements as per legislative requirements, adhering to the agency's documentation requirements and timelines.
- Maintain client folders in a manner aligned with the expectations of internal policy and applicable governing bodies
- Participate in regular paid supervision, training, and team meetings
- Participate in discussions pertaining to program evolution and development

Profile of the ideal candidate

- Master's degree in social sciences or acceptable equivalent
- Registered member of the applicable college in Ontario and is eligible to practice independently in Ontario
- 2 years minimum experience in delivering Emotionally Focussed Therapy, or a willingness to participate in training for EFT
- Demonstratable knowledge of best practices with regard to couple's work
- Crisis intervention skills, with well-developed problem-solving abilities and interpersonal skills
- Demonstrated competence working with couples who are experiencing distress in their relationship
- Ability to tend to themes of diversity and anti-oppression
